WHO IS HYPER?

Hyper the Clown has been entertaining children for over fifteen years. Her passion is connecting with and uplifting children (and adults!).

Hyper's mission is to provide top quality entertainment with heart and connection. Hyper absolutely loves what she does and feels privileged to be trusted with educational shows, children's birthdays, Christenings, weddings and events every week.

WHY HYPER?

Hyper is a natural, adorable, fun-loving clown with a modern day look that is colourful! Children just can't help but be magnetically drawn into her web of fun and silliness.

HUMANITARIAN CLOWNING

In 2013 Hyper the Clown discovered Humanitarian Clowning. Her first trip was to India with Humanitarian Clowns Inc. In 2014 she then travelled with the Famous Patch Adams to Morocco and Costa Rica. Hyper returned again to India late 2014, 2015, 2016, 2017 and was a volunteer co-ordinator in 2018 As of 2022.

Hyper the Clown offers unique Festive Holiday Entertainment. There has been much success from all Hyper's interactive Christmas activities, and have become well admirably desired across Darwin and Palmerston around the festive season!
